

Bird Feeder Record Sheet

Instructions: Observe your feeder for at least 15 minutes. Record the name and/or description of the birds observed. If you are unsure of the name of a bird, just write down a description. If you see more than one of the same type of bird, count the number and record that in the *Tally* column.

Name: _____

Location: _____

Example: I saw three of the same type of bird on my feeder. I don't know the name of the birds, but they are all black with red on their wings. Date: 11/3/2020, Time: 6:15 PM
