Step It Up!

Pass it on! Now that you know how, share it with others. Here are ideas to get you started.

Are you Into It?

Steve Austin,
Extension Associate for Youth Livestock Programs

Participate in a 4-H sheep project!

- Participate in a sheep breeding project or a market lamb project.
- Demonstrate communication skills by preparing and giving oral reasons.
- Learn about selection and evaluation, nutrition and feeding, health and daily care, reproduction, and marketing of meat goats.
- Develop life skills that are needed to be positive contributors to society.

Communication

- Learn how to prepare and give oral reasons.
- Give a speech on the tools and equipment needed to properly groom and show an animal.

Citizenship

- Volunteer to assist at a local livestock show or event.
- Demonstrate proper safety techniques when handling an animal to younger 4-Hers.

Leadership

- Mentor a younger 4-Her on how to prepare and give oral reasons.
- Organize and lead a club activity on how to care for your animal.

Here's what you can do all year!

Starting Out Basic/Level 1

- Learn about livestock nutrition, feeding, health, and daily care.
- Identify breeds.
- Select, care for, and train your animal.
- Learn how to show your animal.
- Show your animal at a county, district, and/or state fair.

Learning More Intermediate/Level 2

- Research common parasites and treatment.
- Learn about livestock evaluation.
- Prepare and give oral reasons.
- Demonstrate how to properly groom an animal for show.
- Learn how to properly use, store, and administer medications.

Expanding Horizons Advanced/Level 3

- Learn about livestock reproduction.
- Select breeding animals.
- Research the clinical signs and treatment of livestock diseases.
- Calculate feed rations.
- Research different housing systems.
- Develop questions and hold a quiz bowl.

4-H is a community of young people who are learning leadership citizenship and life skills.

Resources

4-H Resources	Record Keeping
<ul style="list-style-type: none"> • Afterschool Agriculture – Acres of Adventure • Sheep Resource Handbook • Beef, Sheep, Swine Selection Evaluation • Kentucky Livestock and Horse Volunteer Certification Manual • Kentucky Livestock Kit 	<ul style="list-style-type: none"> • Market Lamb Project and Record Book • Sheep Breeding Project and Record Book

Exhibit Ideas

- Create a poster showing the costs associated with purchasing, caring for, and showing an animal.
- Develop a video demonstrating how to properly groom an animal for show.
- Prepare an exhibit showcasing the various equipment needed to care for your animal.
- Create a poster showing the body parts of your animal.
- Develop a display featuring different cuts of meat and how to properly prepare each one.
- Create a poster that includes important animal and food science terminology.
