

## 4-H Natural Resources and Environmental Sciences Academy Ambassador Teen Board Expectations and Information

NRESci Academy Ambassadors will use and apply skills and practices learned as academy scholars. Ambassadors will build upon leadership and communication skills, and have the opportunity to interact and network with natural resource professionals.

### Expectations:

#### NRESci Retreat: October 4-6, 2017, Lake Cumberland 4-H Camp, Jabez, KY

- Attend the NRESci Retreat.
- Prepare a presentation and hands-on activity highlighting your experiences and what you learned as a NRESci Scholar. Present the presentation at the retreat.
- Assist instructors at the retreat as needed.

#### 4-H Summit: March 2018 TBA, Lake Cumberland 4-H Center, Jabez, KY

- Present a session at 4-H Summit highlighting the NRESci program and what you have learned as a NRESci scholar/ambassador. Include a hands-on activity.

#### 4-H Teen Conference: June 2018 TBA, University of Kentucky, Lexington, KY

- Attend and present a session at 4-H Teen Conference highlighting the NRESci program and what you have learned as a NRESci scholar/ambassador. Include a hands-on activity.

### Recruitment at School or 4-H Event

- Prepare and present a presentation to 6<sup>th</sup> and 7<sup>th</sup> grade youth at a school or 4-H event.
- The presentation should explain what the NRESci program is (including your experiences and what you learned) and how to apply to the program. Include a hands-on activity with the presentation.

**You must do at least two of the options below and submit the Ambassador Teen Board Event Form after completing the task or event.**

- Attend one regional NRESci event.
- Present at a county Extension district staff meeting on the NRESci Program.
- Participate in an Envirothon Team.
- Start an Envirothon Team.
- Present at the KY Association for Environmental Education Conference or other professional conference setting on the NRESci Program.
- Other: \_\_\_\_\_ (If you have an idea of a task or event please contact Ashley Osborne or Laurie Thomas to discuss. Prior approval is required.)

### Additional Information:

- You must provide your own transportation to and from each of these events.
- You are responsible for the following fees associated with each of these events:
  - NRESci Retreat Fee \$90 (includes lodging and meals)
  - 4-H Summit Registration Fee
  - 4-H Teen Conference Fee
  - Any additional fees associated with the outlined expectations listed above.
  - Note: Scholarships may be available to help offset some of these fees. Visit the 4-H NRESci webpage for additional information.
