Injury does not have to occur for a dog to be deemed aggressive.
 - Dogs who rumble (a quiet growl) or posture are not necessarily deemed aggressive.
 - Dogs responding defensively to another dog's aggressive action are not deemed aggressive.
 - All dog sizes, breeds and types are to be judged equally in terms of dog aggression. Breeds or breed types are not to be considered in any decision on dog aggression.

The committee must take and record a vote of yea or nay for dismissal on the grounds of dog aggression and provide the record of that vote.
8. While at a 4-H Dog Program event, members must always maintain control of their dogs. Dogs must be crated or on a leash at all times (except when participating in an event or class that requires dogs to be off lead). The owner has sole responsibility for the dog and is liable if the dog damages anyone or anything.

The Kentucky 4-H Dog Health Form and Dog Eligibility Form are available from your county Extension office or <http://4-h.ca.uky.edu/content/state-4-h-dog-show>. The Certificate of Veterinary Inspection Form can be obtained from a licensed, accredited veterinarian.

Location: Feltner 4-H Camp-London, KY

Description: Held in May each year at the Feltner 4-H Camp in London, Kentucky. Youth are encouraged to bring their dog to camp with them, or they may attend without their dog. Classes on a variety of topics surrounding the care and handling of dogs will be offered. This is a fun, low-stress environment for youth handlers (beginners to advanced) to practice showing their animal and meet other youth across the state. Contact your local county 4-H agent for additional information about this event, including fees and registration deadlines. A minimum of 25 youth must be registered by the state registration deadline or the camp will be cancelled.

Adults: Each county must have one adult attending camp with their club members at a ratio of one adult to five children (1:5) (these should be adults who are not teaching classes). All adults attending dog camp must:

1. Have completed the 4-H Client Protection Process and be an approved volunteer in their county.
2. Be willing to be a chaperone, and watch the children in their care, meaning those children in their cabin.
3. Help as needed, either in an area of their choice or where assistance is needed.

Schedule:

1. **Arrival Time:** Check-in is between 5:00 and 6:30 p.m. (Eastern Time Zone) on Friday in the Dining Hall. Dinner will be provided 6:30 p.m. and an informational meeting will follow. Before you unload your luggage and equipment, you **MUST** come to the dining hall to check in and receive your cabin assignment, and have your dog flea/tick checked and obedience tested. The parent/leader needs to remain at State 4-H Dog Camp until check-in of the 4-H'ers and their dogs is complete.
2. **Flea Check:** During check-in, members of the State 4-H Dog Advisory Committee will be checking for illness, parasites, ticks, and fleas. If any dogs are found with fleas/ticks, chaperones will be advised to get their animal(s) treated at their own expense before animals are allowed to stay at camp. Animals untreated will be sent home or must stay off camp at their own expense until the animal is properly treated. There will not be a reimbursement of money.
3. **Departure time:** Camp will end Sunday by 11:30 a.m. (Eastern Time Zone). Parents should arrive at 11:00 a.m. to help with packing. No one may leave the camp until all the cabins have been cleaned, passed inspection by the 4-H Camp Manager, and all poop has been scooped! **PARENTS**, it is very important that you be at camp to pick up your child **ON TIME**. Everyone should be on the road by 12:00 p.m. (Eastern Time Zone).
4. **Agenda:** Agenda varies each year.

Dogs should not be in the beds with you in the evening. In past years, we have been warned that we could not use our 4-H camps for future State 4-H Dog Camp due to muddy dog prints on camp mattresses and "un-scooped poop".

Additional Dog Judging Rules (In addition to all of the General Rules)

1. Dog Judging is an individual competition. Participants may not talk to other participants or spectators during the judging.
2. Information on the breed(s) to be judged will be posted on the state 4-H website. The specific dogs to be at the competition should not be used in 4-H dog program practices or events after January 1 of the competition year.
3. The Hormel judging system will be used during the competition.
4. Junior members will be required to give two-minute reasons in the event of a tie. Senior member will be required to give a maximum of three-minute reasons on at least one class of animals. Seniors who do not complete their reasons will be disqualified from the judging event.

Scent Work Division includes classes 8-10 (see below for information and rules)

According to the AKC, "in the sport of Scent Work, dogs are trained to recognize specific odors, and to alert their handlers when the odors are detected." Dogs in the class will search for a specific scent, such as the essential oil, birch. Containers with a cotton swab dipped in the essential oil will be hidden in a search area. (The containers will have holes in them to allow the odor to escape, so that the dog can find them.)

Alerts. Handlers must confirm the dog's alert verbally with the word "Alert" when the dog indicates a find. When the handler calls Alert the judge is responsible for confirming whether the alert is correct or incorrect.

Collars, Leashes, and Harnesses. Dogs must wear a properly fitted buckle collar, martingale or harness. No odor-emitting collars (such as no-bark collars that spray citronella, or DAP calming collars) may be worn or present in the search area. A 6-foot leash must be used. This is an on-lead class. The leash can be used to gently guide the dog away from the boundaries of the search area, but cannot be used for correction or punishment.

Rewards and Reinforcers. When a dog correctly finds the scent, the handler may reward the dog with a food or toy reinforcer, which may be delivered at or away from source. The handler must take care not to contaminate the search area with food particles or saliva. Toys may be thrown, but if the toy or the dog causes disruption to the search area, the dog/handler team may incur a fault.

Handlers may not reveal any information about the search, the location of the hide, or their performance (aside from a thumbs up or thumbs down) until all entries have run for the particular class. Even innocent discussion can accidentally cue handlers about the search in a way that may influence their performance. If anyone is found to be discussing a search before the class has ended, both parties in the discussion (speaker and listener) will be penalized with a "Not Qualified" score (NQ) for the class.

CLASSES AND EXPLANATIONS

Class 8 - Container search. In a container scent discrimination search, 10 identical containers are laid out in 2 rows of 5 containers. One of the containers has the scented cotton swab. The dog must find the correct container and indicate to its handler within 2 minutes of starting. This class is timed and placed according to the lowest times of the successful dog/handler teams. **No premium.**

Class 9 - Interior search. In an interior search, one container holding the scent is hidden in an indoor search area. The dog must find the container and indicate to its handler within the time set by the judge (2 minutes). This class is timed and placed according to the lowest times of the successful dog/handler teams. **No premium.**

Class 10 – Chow Hound Food search. A piece of hot dog or cheese will be hidden in the manner of an interior search. The rules for interior search will be followed for this class. **Participants in this class may not be entered in the container search or the interior search classes. No premium.**

Each team will compete as an individual on their team. The three scores for each team will be counted as the team score. Participants will be allowed up to five minutes per station to complete the identification. No conversation between team members will be allowed during this portion. Bonus questions answered correctly will be used to break ties for the total scoring of the bowl team.
 - b. The second part will be a bowl format with regular questions and toss-up questions to which any team member may respond. Correct response is worth one point. Bonus questions will be directed to the team answering the toss-up question correctly. For the bonus question, a ten second period is permitted for team consultation to determine the answer. At the end of the ten second period, the team captain or designee will answer. All parts of the bonus question must be answered correctly to be awarded points. Bonus questions are worth two points. There is no penalty for an incorrect answer. Opposing team will have an opportunity to answer the question for points if the original team misses the question.
 - c. The third part will be one-on-one questions, which are directed to one member of each team. Beginning

with Player Number One, questions will rotate to each team member until all players have answered one question. Each correct response is worth two points.

7. When the moderator announces the first question, no part of the question will be repeated nor will any additional information be given to the contestant. If a buzzer is activated during the reading of any question, the moderator immediately will cease reading the question. If the question is missed, the opposing team may have an opportunity to answer the question. The moderator will read the entire question.
8. After completion of the question, teams have five seconds to buzz in. The answer should start within five seconds of being acknowledged. All parts must be answered correctly to receive points for the team.
9. The top three team places in each class will be determined based on highest accumulated points of the bowl round plus the scores of the skillathon for the three team members. If there is a tie it may be broken using the following format (a) then (b) then (c);
 - a. The skillathon bonus scores for each of the three team members will be included in the final scoring for the team;
 - b. From the general question and answer portion, bonus points from all three team members;
 - c. If a tie is still unbroken, there will be a five question run off to determine the winner in the class.
10. Resources used for the development of the questions will be from the following reference materials: National 4-H Cooperative Curriculum System, Inc. (4HCCS) - Dog 1, 2, and 3, Ohio State University Dog Learning Lab Kit, and Ohio State University Dog Resource Handbook.
11. 1st and 2nd-team place will be awarded in the Junior and Senior Division, using the Dog Bowl scores. All participants will receive participation ribbons. No premium will be paid.
12. Grand and Reserve Champion Winners: Winners will be awarded in Junior and Senior Division, using both Dog Bowl (team) and skillathon (individual) combined scores for individuals in Junior and Senior Divisions. No premium will be paid.

Skillathon Rules: In addition to all of the General Rules (above) applying to 4-H Exhibitors.

2. 4-H Dog Skillathon entries should be made electronically. Instructions and web address will be provided to county Extension offices.
3. If you are a member of a Dog Bowl team, please sign up for the skillathon portion by registering in the appropriate class (Junior or Senior Division) like all other 4-H entries. All Dog Bowl team members must sign up for skillathon classes too.
4. Individuals may participate in the skillathon portion only without being a member of a dog bowl team.
5. Age groups are based on age as of January 1 of the current 4-H year. Junior 4-H'ers must be between the ages of 9-13 years old. Senior 4-H members must be between the ages of 14-18 years old. Exception: If a junior member is participating on a senior bowl team, please register them in the senior class category (for skillathon too). If a junior 4-H'er is declared a member of the senior bowl team at registration on the day of the event, they will be moved to the senior class and must participate in the senior division of the skillathon.
6. The skillathon format may be on breeds, anatomy, conformation, equipment identification and/or other dog educational materials. Participants will be allowed up to five minutes per station to complete the identification. No conversation between members will be allowed during this portion. Bonus questions

answered correctly will be used to break ties for the total scoring of the top three individuals. If a tie still needs to be broken, the names of the top scoring participants will be drawn for placing.

7. Resources used for the development of the questions will be from the following reference materials: National 4-H Cooperative Curriculum System, Inc. (4HCCS) Dog 1, 2, and 3, Ohio State University Dog Learning Lab Kit, and Ohio State University Dog Resource Handbook.
8. Grand Champion (1st), Reserve (2nd) and 3rd individual place will be awarded in the Junior and Senior Division, using skillathon scores. All participants will receive participation ribbons. No premium will be paid.

PLEASE SEE THE GENERAL RULES OF THE KY 4-H DOG PROGRAM RULE BOOK AND GUIDE. EACH MEMBER IS RESPONSIBILITY FOR READING THE ENTIRE GUIDE PRIOR TO THE DOG SHOW.

Competition Rules

1. 4-H members who are enrolled in a county 4-H dog club/group and who have completed 6 hours of education between September 1 and the date of the state event are eligible to participate in that event. Note: A county must have a certified dog volunteer leader to have a county dog club/group. For additional information see the Kentucky 4-H Dog Volunteer Certification Program Guidelines.
2. The dog club member must do all grooming and training associated with their project animal(s). Members are responsible for 100 percent of the care, feeding and safety of their dogs while the dogs are on the event grounds. Parents or leaders are not allowed to assist with the preparation of the dog before any competitions.
3. Youth with special needs (physical, learning, etc.) may request special accommodations by indicating their need on the entry form. The event/show superintendent will work closely with the member to ensure that proper arrangements are made. A member requiring assistance may receive help from another 4-H member. If another 4-H member is not available an approved leader, instructor, or judge may be asked (respectively).
4. While at a 4-H Dog Program event, members must always maintain control of their dogs. All dogs must be on a leash or crated, unless participating in a class that requires the dog to be off leash. Dogs must not be taken outside of the immediate area of the show except for curbing and light exercise. In addition to being a good safety rule, crating dogs between classes gives the animals a rest period. Any dog running free will be impounded and removed from the grounds.
5. The 4-H'er is responsible for appearing at the ring when their class is called. If the 4-H'er does not appear in the ring by the conclusion of the class the 4-H'er may not be able to participate in that class and will be ineligible for champion for that class. The 4-H'er or their declared club leader (if youth is in a ring) is responsible for informing class steward of conflicts.
6. Training and Disciplining in the Ring. The judge will not permit any handler to use excessive verbal commands, to move toward the dog to correct it, or to practice any exercise in the ring while competing. Any exhibitor who does so may be excused and will receive a non-qualifying (NQ) score for that class. Note: at judges' discretion, a 4-H member may re-attempt an exercise for learning purposes (for example, if a dog eliminates in the ring, the judge may allow the 4-H member to re-attempt the

exercise and continue with further unattempted exercises for learning purposes, however, the 4-H member will receive a no score/NQ).

7. Adults are not allowed to enter the ring, or direct from the sidelines during a show.
8. Declared Club Leaders for State 4-H Dog Show: Certified dog volunteer leaders may be declared for the state dog show. Declared leaders will be provided a vest and will be permitted on the arena floor during the dog show. In the event that a county only has one certified dog volunteer leader present, the certified dog volunteer leader may identify additional adult leaders/chaperones if desired (maintaining a ratio of an additional adult for every ten 4-H members). All adult leaders/chaperones declared must complete the volunteers and leaders expectations defined on page 2 of the Kentucky 4-H Dog Program Rule Book and Guide. Declaration must be made at the start of the show (registration).
9. Only State Fair Dog Show workers, 4-H'ers showing their animal(s) and declared club leaders will be allowed on the ring floor during the show (e.g., inside of the white fence). (Exception: In cases of youth with special needs, accommodations will be made). Family members and non-declared club leaders will be asked to view the show from outside of the show area. Parents, guardians, and leaders may not approach a judge before or after completion of a class. Concerns, comments, and complaints shall be directed to the show chairperson. After a warning is issued, violation of this rule will result in a parent, guardian, or leader being asked to leave the arena area for the remainder of the show.
10. Once a member moves up to a new class, he/she may not revert back to previous (lower level) class.
11. Moderate practicing and warm up of dogs shall be permitted but not near the class rings except in identified areas.
12. Food, treats, and/or toys are not permitted in exhibitor's hands or on their person while in the show ring during obedience and rally classes. If an exhibitor brings food, treats, or toys into the competition arena, they must leave all items with the steward prior to entering the show ring. Exhibitors with food, treats, or toys in their hands or on their person while in the show ring during obedience and rally classes are subject to disqualification. Treats can be used in the agility ring but the dog will receive a white ribbon for his/her performance.
13. At the State 4-H Dog Show, the 4-H member is recommended to enter one Fitting and Showmanship **AND** one additional class. The dog used for Fitting and Showmanship must be the same dog shown in the Obedience class.

4-H Dog Competition Dress Code

Any type of clothing with inappropriate logos, words, or images are prohibited. Collared shirts or club t-shirts are recommended. Shorts, dresses and skirts that are not shorter than 2 inches above the knee are permitted. 4-H members may not go barefoot at any time during the event. Flip-flops, sandals, and Croc or Croc-like footwear are prohibited at competitions and at any time while a member is handling a dog at an event. If the dress code is not followed points **may** be deducted from the overall class score for that 4-H member. Bonus points may also be given for individuals that follow the dress code and dress professionally.

2. Dog aggression results in a disqualification from the subject class (if applicable) and at the direction of the members of the Dog Agent Advisory Committee that are present at the event. Dogs who are

dismissed due to dog aggression must be placed in a dog crate for the remainder of the show or be removed from the grounds.

3. In 4-H shows, dogs that foul the ring are allowed to complete the class and be scored, but their score sheet is marked “NP-fouled ring” for “non-placement” and will be automatically be awarded a white Danish ribbon.
4. Classes may be cancelled, combined, or subdivided by the show committee, if number of entries warrant. Preliminary eliminations may be used to reduce large class size.
5. In order to qualify to be a grand or reserve champion, you must receive a blue ribbon.
6. Questions concerning rules should be referred immediately to the show superintendent. The superintendent may consult with committee members or judge(s) and make an on the spot decision, which must be accepted as final.
7. 4-H Judges:
 - a. Judges for 4-H dog events should be familiar with the 4-H show rules for the classes which they will be asked to judge. This should include having an example copy of the score sheets they will be using before the show.
 - b. Judges should **not** show partiality for purebred dogs or All-American (mixed breed) dogs.
 - c. Judges must not be familiar with 4-H exhibitors they are to judge. This includes training a 4-H member in class (with or without their project dog), being a club member with a 4-H exhibitor anytime within the past 5 years of show date, owning or leasing a dog with the 4-H member or a member of their family.
 - d. If judges are recent 4-H graduates (within the past 5 years), they should preferably be from another state or at least another county.
 - e. Judges should be informed to write constructive comments on score sheets. If time allows, judges, at their discretion, can meet with individual exhibitors to discuss strengths and weaknesses.
 - f. Judges should judge according to the requirements of the class. Each dog/handler team should be judged in the same way.
 - g. Judges should not disclose any score to anyone but the show committee (and only on a need to know basis) before a class is completed. Announcements of scores at the end of a class are at the judge’s discretion, but judges should keep in mind the sensitivity of scores to some exhibitors.
 - h. Judges are in control of their ring from the time that a class starts until its completion.
 - i. Judges decisions are final in all scoring and judging of a class. All other matters are to be decided by the show committee.
 - j. Judges should give commands and or signals in a clear and understandable manner.
 - k. Re-judging. If a dog, in the judge’s opinion, had its performance prejudiced by peculiar and unusual circumstances, the judge may re-judge the dog on that particular exercise.
 - a. If the judge finds it necessary to re-judge a dog(s) from a group exercise, the dog(s) should be re-judged immediately following the group or as soon as possible thereafter.

- b. The judge may ask for volunteer dogs, which will not be competing, in order to fill the ring.
 - l. Judges should not enter into discussion with any exhibitor (including parent, guardian, and friend of exhibitor) who appears to be dissatisfied with the judging/scoring or his/her class. Such an exhibitor should be directed to the Show Committee, who will examine the problem and approach the judge, if necessary. This also applies to mathematical errors.
 - m. A judge who is aware of any assistance, interference or attempts to control a dog from outside the ring must act promptly to stop such double handling or interference and shall penalize the dog substantially. If in the judge's opinion the circumstances warrant the dog shall be given a score of zero for an obedience exercise. In Showmanship, the members will receive a substantial deduction.
 - n. Judges should remember that 4-H should be a positive learning experience. The judge must remember that a 4-H show is an opportunity for a 4-H member to learn "how to make his best better, the next time." Judges should offer encouragement and advice, in addition to placements and scores.
 - o. Judges shall have some form of ribbon or tag identifying them as a judge to the members.
8. Placements/Awards/Judging
- a. Judge's decisions are final.
 - a. Scoresheets for agility, rally, and obedience classes will be handed out at the conclusion of each class once scores have been recorded. All questions regarding a judge's placements or scores should be made to the Show Committee within 30 minutes of scoresheets being distributed.
 - b. Scoresheets for each showmanship class will be handed out at the conclusion of each class once scores have been recorded. All questions regarding a judge's placements or scores should be made to the Show Committee prior to the Best Overall Handler judging for the division.
 - c. Under no circumstances should a judge be approached by an exhibitor, parent, or guardian in regard to questioning a placement or score of a given class. Such problems or concerns should be brought to the Show Committee.

Rules – in addition to all of the General Rules:

1. Purpose: To demonstrate the 4-H member's ability to show his/her project dog to the best of their ability, as if they were presenting their dog in the conformation ring at a breed association show. The member must be able to show off the dog's best points, while minimizing faults, demonstrate knowledge of proper ring procedure, and the proper way to present a dog for examination by a judge. In no way should the dog's conformation be considered when scoring an exhibitor.
2. Acceptable patterns include:
 - a. All divisions: "around the ring" or the "O", the "I" or "up and back", the triangle
 - b. Novice, Open, Masters: the "L", the "T",
 - c. Masters Only: The down and back with 2 dogs gaiting side by side.
(Please see gaiting patterns outlined in the next section of this manual for explanations.) In the "up and back" patterns, handlers may choose to either turn towards their dog or away from their dog, as long as the movement is done smoothly and efficiently.
3. Courtesy turns may be done at the start of a gaiting pattern and are encouraged.
4. Dogs should be stacked or posed as their breed would in conformation events. Mixed breed dogs should be presented as closely to the breed that they most resemble.
5. "Baiting", offering a dog a treat for desirable behavior is acceptable in Fitting and Showmanship as long as it does not interfere with other dogs in the class. Baiting is allowed at each judge's discretion.
6. Dogs may be shown on a show lead (such as a one piece martingale, resco-type lead, etc.) or on a slip collar (leather, chain, or fabric) and attached leash. The handler's ability to control the dog's show equipment in a non-distracting manner is more important than the actual equipment being used.
7. Judges or Stewards WILL ask exhibitors questions during Fitting and Showmanship classes or outside the ring before or after the class. Questions may cover: general dog care and knowledge, the exhibitor's dog's breed history and purpose, the exhibitor's dog's specific history, the Kentucky 4-H Dog Program Rules, general 4-H questions. Sources of questions: National 4-H Dog Curriculum, other resources TBA by March 1.
8. Classes should be subdivided if there are 12 or more exhibitors in a class.
9. Classes are divided into four divisions and by age (as of January 1 of current year) as follows:
 - a. Beginners. For handlers who have never shown in the showmanship project at the State Fair 4-H Dog Show.
 - b. Novice Division. For youth and dogs with no experience in conformation and/or showmanship at a sanctioned (AKC, UKC, etc.) show (sanctioned show does not include a match).
 - c. Open Division. For youth who have shown in a conformation and/or showmanship at a sanctioned (AKC, UKC, etc.) show (sanctioned show does not include a match) and/or dogs that have obtained Champion in conformation in AKC or UKC (or similar).
 - d. Masters Division. For youth who have shown in AKC Master or Open Showmanship (or other sanctioned equivalent) and/or dogs that obtained Champion in conformation in AKC or UKC (or similar).

- e. Best handler will be determined in each division. There will not be a best overall handler. (The winners of each age group within their division will compete for the championship of their division.)

Patterns:

Fitting and Showmanship Scoring- Kentucky 4-H Dog Score Sheets for Fitting and Showmanship will follow this point system: Copies of the Fitting Pattern and Showmanship scorecard will be available from your county Extension 4-H office.

Appearance of Animal

- All grooming must be done by exhibitor
- General condition - Dog should be well conditioned, but not overweight. Should be trimmed, combed, and brushed in a manner suitable for coat and breed type. Crossbreeds should be groomed similar to the breed they most resemble. Recognizing that some breeds require more grooming than others, grooming scores should strive to recognize the efforts in grooming.
- Toenails should be clipped to reasonable length for particular breed, or filed down.
- Teeth should be clean.
- Eyes should be clear, not running, ears should be clean and free of excess debris or dirt.
- Coat should be clean and well combed. Feathering should be un-matted and clean. Dogs must not have any external parasites.
- Show clip will not be considered.

Exhibitor's Appearance

- Exhibitor should be neat and clean.

- b. 4-H show uniform should be worn.

- c. Do not lean on dog while stacking front and back legs.

Judge's Examination

- a. Handler should work to keep their dog between themselves and the judge at all times.
- b. Show the dog's bite correctly. Judge needs to see the teeth closed, and not the handler's head.
- c. Present the dog quietly and efficiently, encouraging expression from the dog while keeping him in a stacked position for examination.
- d. As the judge moves past the dog's head, handler should control the head from the front or near the front and remain out of the judge's way.
- e. As the judge steps away from the examination, handlers should "pose" the dog again until asked to move
- f. When asked to move, handlers should take time to gather their lead neatly in their left hand, position the collar appropriately and proceed to the courtesy turn and pattern requested.
- g. Handler's should thank the judge after their individual pattern, remembering to use excellent manners when speaking to the judge "Yes Sir, Yes Ma'am"
- h. Movements should be smooth, natural and not distracting to judge or others.
- i. As handler's are asked to move to the end of the line, dogs should be either hand stacked or baited into a square position one final time for the judge.

Gaiting Dog Correctly

- a. Enter leading animal at an alert, correct gait around the ring as directed. Always have animals on the judges' side holding lead in the left hand, held properly for the individual dog, breed or breed resembled so the dog gaits freely.
- b. If necessary and depending on the pattern requested, the exhibitor may need to change hands, to keep the dog between himself and the judge.
- c. Gait dog at a trot or as the judge directs, with animal's head carried at a height appropriate for the breed of dog.
- d. Do not crowd the dog ahead when gaiting or when coming to a halt with the class.

Holding Lead Correctly - Using Proper Equipment

Handler's Attitude

- a. Alertness and poise. Keep an eye on your animal and be aware of the position of the judge and other dogs and exhibitors in the ring at all times. Do not be distracted by persons and things outside the ring.
- b. Be courteous and sportsmanlike at all times. Show animal at all times, and yourself.
- c. Do not talk to people outside the ring.

- d. Exhibitors poise should be natural nor forced or exaggerated.

General Knowledge

- a. Exhibitor is knowledgeable about dog care, training, grooming, showing and breeds. Judge or Steward will ask no more than six questions to determine this.

Ring Procedure

- a. Do not crowd exhibitor or dog in front when stacking.
- b. When judge is individually examining the rest of your class, let your dog stand and relax, if posed reasonably well, but remember to keep the dog's focus on you and stay alert. Excessive grooming in the ring is objectionable.
- c. Be natural, over-showing, undue fussing and maneuvering are objectionable.

10. The following activities will result in disqualification from Fitting and Showmanship contests:

- a. Harsh handling or treatment to the dog
- b. Receiving instructions from ringside
- c. Poor sportsmanship
- d. Arguing with or sassing the judge

Dog and handler will receive a NP (non-placement) score.
6. Members will be allowed to show 2 dogs in the same class.

OBEDIENCE CLASSES AND EXPLANATIONS

- 502 Sub Novice A - For handlers who have never shown in the dog obedience project at the State Fair 4-H Dog Show.

Heel on Leash and Figure 8 on Leash - In "heeling" and "figure 8" exercises, the handler will work the dog on a loose leash, which should be carried in either hand or both hands, with the dog on the handler's left side. Hands are to be carried in a natural manner. The handler's left hand should not touch the dog. Any jerking or tugging on the leash is penalized. The handler walks, when the order "forward" is given by the judge, in a normal manner and must not adapt his pace to the dog. There must be a definite change of pace when given the orders "fast", "slow", or "normal". Upon judge's command to "halt", the dog must sit in heel position until judge's next command is given. Extra commands, signals or tugs on the collar will be penalized. The judge's command "exercise finished" indicates that the exercise is complete.

Sit for Exam on Leash - Upon the judge's order, the handler will sit the dog facing the judge and leave when ready. A voice command and hand signal may be used. If both are used, the dog's name should not be part of the spoken command. The handler will then walk to the end of the leash and face dog. The judge will examine dog by touching the back of the dog; the dog must stay in a sitting or standing position, as left by handler. Upon judge's command "return to your dog", handler will return to their dog by approaching the dog from the front and walking around behind the dog to the heel position. Once the handler has returned to heel position, the judge will give the order "exercise finished" to signal the exercise is complete.

Recall on Leash - The handler will sit the dog, and with the judge's order, command the dog to stay, leave, and walk to the end of the leash. When ordered to "call your dog", a voice or hand signal should be used (but not both). The dog should come and sit directly in front of the handler. When ordered to "finish" the handler will again use either a voice or hand signal. The dog must move to the heel position and sit. Attempts to guide the dog in either the "come" or "finish" will be penalized. The judge will then give the order "exercise finished" to signal the exercise is complete.

Long Sit on Leash - The "sit" will be for 30 seconds. Handlers may use a voice command and a hand signal. If both are used the dog's name should not be part of the spoken command. When the judge

instructs the handler to “leave your dog”, the handler will give the command/signal to stay and immediately proceed to the end of the leash. The leash will always be in handler’s hands, never dropped on the ground. Upon judge’s command “return to your dog”, after the time required is reached, the handler will return to his/her dog by approaching the dog from the front and walking around and behind the dog to heel position. Once the handler has returned to heel position, the judge will give the order “exercise finished” to signal the exercise is complete.

503 Sub Novice B - For dogs that have never qualified in Beginner Novice or Novice at any recognized trial (i.e., AKC, UKC). Same exercises as Sub-Novice A.

504 Beginner Novice - For dogs that have never qualified in Novice at any recognized trial (i.e., AKC, UKC). Same exercises as Sub-Novice A except:

Sit Stay Walk Around - The sit stay will be off leash. The handler will unsnap the leash and carry it while he or she walks away from the dog to the outer edge of the show ring. The handler will turn to the left and proceed to walk completely around perimeter of the ring, returning to where he or she started. The handler will then turn toward the dog, return to it and circle around into heeling position.

Recall - The recall will be off leash. The handler will sit the dog, command it to stay, and leave on the judge’s order. When ordered to "call your dog", a voice and/or hand signal should be used. The dog should come and sit directly in front of the handler. A one-time single phrase of praise or encouragement while the dog is coming to the handler will be allowed without penalty.

505 Preferred Novice A - For dogs in their first year of NOVICE only. Limit of one year in this class with the same dog and handler team.

Exercises:

Heel on Leash and Figure 8 on Leash -The same rules which apply to Sub Novice apply to this exercise.

Stand for Examination -This exercise is performed off leash.

Heel Off Leash - This exercise is executed in similar fashion the heel on leash, except without a leash.

Recall -The same rules which apply to Beginner Novice apply to this exercise.

Sit Stay - Walk Around- The same rules which apply to Beginner Novice apply to this exercise.

Sit Stay (Get Your Leash) - The exercise will start with the dog and handler positioned at least 30 ft. from and facing the gate entrance. The leash will be removed by the handler and then given to the steward or judge to be placed at the designated spot (close to the gate entrance, so the handler does not have to leave the ring to retrieve it). The judge will ask “Are you Ready?” On the judge’s order, the handler may command and/or signal the dog to sit without touching either the dog or collar. On order “Leave your dog to get your leash,” the handler may give a command and/or signal to stay and will walk forward to the leash, pick it up and turn to face the dog. The judge will order “Back to your dog.” The handler will return by walking toward the dog and passing the dog on its left side and behind the dog, stopping at heel position. The dog is not to move from position until after the judge says “Exercised finished.”

506 Preferred Novice B - For dogs that do have a C.D. title or 4-H'ers having shown the same dog for one year in Novice A. (Exercises the same as Novice A - see above.)

507 Graduate Novice - For dogs that have not qualified in open at a recognized trial. Exercises are the same as Novice A except: there will be a drop on recall and a recall over a jump.

Drop on Recall - Executed similar to recall but the dog must drop to a "down" on command from the handler, and complete the "come" on command. The dog must come quickly, drop instantly, and come straight in to the handler on the first command in each part of the exercise. A second command is a disqualification, slow response to any command results in a loss of points.

Recall over Jump - This exercise starts with the dog in the sitting heel position at least 8 feet from the jump. On the judge's order, the handler will command and/or signal the dog to stay, and then go at least 8 feet beyond, and face the jump. When the judge indicates, the handler will command or signal the dog to come over the jump and sit in front. The handler will then give a command or signal to finish and the dog will to heel position and sit straight.
