4-H Speeches

What is a speech?

A speech or talk is 3 to 5 minutes long for junior 4-H members (9-13 years old) and 5 to 7 minutes for senior 4-H members (14-18 years old). No visual aids may be used.

Preparation

The following steps will help you prepare to give a speech or demonstration.

• **Choose a topic.** Find a subject that you know something about or that is of interest to you. Make sure your topic is not too broad.
• **Select a Title.** Think of a title that relates to the subject and is catchy, original and short. It should suggest the subject without telling the whole story.
• **Collect information.** Think about what you already know about your topic. What examples do you know that will illustrate your speech or demonstration? Is there a poem, a song, or a joke that you can use to make a point clear? Why is the topic important?
• **Organize materials.** Separate your materials and ideas into three parts: introduction, body and conclusion. Use the 4-H Speech Guide at the end of this publication.

• **Introduction.** Get the attention of your audience, make them want to listen, inform them of your subject and show them how the subject concerns you. Tell a story or joke, or read a quote. Tell the audience what you are going to talk about and why that topic is important to them.
• **Body.** Select two or three main points and explain each point. Use accurate and up-to-date information. Arrange key points in logical order.

Preparing you for your future!

Do you like to speak in front of a group? Have you ever had to make a speech in your classroom? Would you like to learn the skills and gain the confidence to be an outstanding public speaker? Then you should participate in the Kentucky 4-H Communications Program! 4-H members can learn how to prepare and present a speech on any topic they feel passionate about.
When using gestures, try to be natural and relaxed.

- **Conclusion.** Briefly restate your main ideas. Leave your audience with an attention-grabbing statement, question or wrap-up thought.
- **Make note cards.** Do not write your entire speech on cards. Have only the main points and key words written down. Note cards should help you organize your speech but should not be a distraction.
- **Practice!** Give your speech in front of a mirror and in front of friends and family.

**Delivery**

- **Eye Contact.** Look directly into the eyes of your audience during your speech. Look at people in various parts of the audience.
- **Posture.** Stand in a comfortable position with your feet several inches apart and your back straight.
- **Voice.** Speak loudly and clearly enough for all to hear. Try to sound conversational. Do not yell or talk too softly.
- **Gesture.** When using gestures, try to be natural and relaxed.
- **Emphasis.** Pause just before and after an important point. You may also change your tone of voice or step closer to the audience.
- **Quotations.** Give full credit to your source and pause before and after so the audience knows where the quote begins and ends.

- **Notes.** Do not write your entire speech on cards. Do not read from your note cards! Refer to your cards for the main points you want to make.
- **Attire.** Dress appropriately for your audience and topic. Costumes are not allowed for speeches.

**Practice, Practice, Practice!**
