

# April 2021 Kentucky 4-H Officer Update

Kentucky 4-H Agents, Staff, and Supporters:

April has been an exciting month for our officer team. Our State 4-H advisors have worked so hard to make this year as involved as possible. Luckily, we have had more opportunities to meet in person this month as COVID-19 restrictions are changing throughout our state.

This month we attended the KAE4-HA meeting in Pikeville, KY. We mingled with agents from across the Commonwealth, learned about the history of Pikeville, enjoyed a local bluegrass band, and witnessed a few agents' hidden dance moves. Our team had the best time catching up with 4-H Agents while discussing upcoming programs and celebrating our time together in-person.

Teen Conference is fast approaching, and we have all begun preparing for our cumulative experience! We are very excited that we are able to have this event and see everyone in person. We are also preparing for Slating coming up in May. We are sad that our year as an officer team is coming to an end, but we are looking forward to the upcoming events!

Sincerely,

Morgan Barnes
