Directions: In the 4-H Achievement program, points are earned in five categories.

- 4-H'ers can record all qualifying entries from ages 9-18 years old (see 4-H age policy). Cloverbud activities are not included in the achievement program.
- Since points accumulate each year, it may be necessary to add additional lines to record entries. To add rows: click in the row above the area needed to add a row, click the 'layout' tab at the top, and click on 'insert below'.
- While rows may be added, additional categories and/or areas may not be added.
- Limit any descriptions to a short and concise entry.
- An entry may include participation on the county, multi-county/district, state, and national on the same line.
- Some areas list examples of possible activities/events. The 4-H'er is not limited to these examples.
- The category under each section are limited to two entries per year.
- For an entry recorded, the line must be completely filled out with all boxes completed.
- What level the event or activity is organized, is how the points are calculated.

Totaling Points: Each category contains several areas in which entries can be recorded.

1. At the end of each area, there is a place to enter that area's totals.
2. Totals should include all entries in that area from current and previous years.
3. Record all area totals in the table at the end of each category.
4. Do not enter zeros, leave boxes blank.
5. After the application is complete, record the category totals in the table above.
