

4-H Agents, Shooting Sports Coordinators and Coaches,

First, I would like to commend all of you for your patience and perseverance during this time. The year 2020 has most certainly not turned out the way any of us planned.

As you all know the difficult decision was made to cancel our in-person 2020 Shooting Sports State Competition. While we are all saddened that we will not be able to round out the program year in our normal fashion this was the best decision for the health and safety of everyone involved, especially our youth. In lieu of an in-person competition, we invite you and your shooting sports clubs to take part in the 2020 Kentucky 4-H Shooting Sports Virtual "Mail-in" Tournament!

Participation is as easy as 1, 2, 3!

1. Register qualified youth online in their desired disciplines
2. Schedule a date between Sept. 14th and Sept 30th for youth within your county to compete under the supervision of certified adult coaches
3. Submit youths scores to the State Office via the provided excel templates for each discipline by Oct. 1st

We will then recognize top individuals and top teams from across the state for their achievements!

While we know nothing can replace the experience of being at the State Competition we hope that this virtual "mail-in" tournament can provide a fun wrap-up event for our 4-H youth and show them that even though we can't be together in person we are still one big shooting sports family!

Rules and scoresheets are available on the KY 4-H Shooting Sports website. For more detailed guidelines and rules for participation in this event please read the 2020 Kentucky 4-H Shooting Sports Virtual "Mail-in" Tournament Guidelines available online.

If you have any questions please do not hesitate to contact me directly.
