

Kentucky 4-H Virtual Statewide Clubs and Project Groups 2021 4-H Program Year

- Youth register for the statewide clubs or project groups they are interested in. Once registration closes individual club or project group sponsors will communicate with enrolled youth. Youth registration will also be sent to county they wish to enroll in 4-H with for reporting purposes. Priority will be Kentucky 4-H youth enrollment. If space allows youth outside of Kentucky may join, sponsors will be in contact.
- Youth can register for as many clubs or project groups they are interested in; we encourage special attention to dates the clubs meet. All clubs or project groups meet virtually!
- Youth who complete all project work for the club and receive 6 hours of education will receive recognition at the end of the 2021 4-H Program Year.
- **Register no later than October 1st at 12pm ET/ 11am CT:**

Bake-A-Long Contact: Cathy Weaver cathy.weaver@uky.edu	Join Cathy Weaver this program year for the 4-H Bake-A-Long Club! This is a spin from the challenges from spring/summer 2020. Each month there will be a new skill the club will tackle. There will be plenty of opportunities for discussion and to perfect your baking skills! There will also be opportunities to expand your baking skills with monthly challenges that could lead to the entry into your local fair! Open to all who are 9-18 years old as of January 1, 2021. Adult supervision is encouraged to assist those who may be new to the kitchen!	Second Tuesday of Each Month October- March 6pm-7:30pm ET/ 5pm-6:30pm CT October 13 th November 10 th December 8 th January 12 th February 9 th March 9 th

Kentucky 4-H Virtual Statewide Clubs and Project Groups 2021 4-H Program Year

<p>Cooking with Chef T</p> <p>Contact: Isaac Hilpp isaac.hilpp@uky.edu</p>	<p>Chef T with the UK Food Connection invites you into her kitchen once a month to explore cooking! You will learn the ins and outs of putting together meals that taste amazing and are nutritious for you! This club will focus on the technical skills needed in the kitchen and the knowledge of recipe planning. At each meeting we will be cooking together and learning from one another as we explore the world of food. We will meet each month from October to April and finish the year out by introducing the Culinary Challenge!</p>	<p>Third Wednesday of Each Month October-April</p> <p>5:30-7:00pm ET/4:30-6:00pm CT</p> <p>October 21st November 18th December 16th January 20th February 17th March 17th April 21st</p>
<p>JR MANRRS</p> <p><i>Minorites in Agriculture, Natural Resources, and Related Sciences</i></p> <p>Contact: Isaac Hilpp isaac.hilpp@uky.edu</p>	<p>The Jr. MANRRS (Minorites in Agriculture, Natural Resources, and Related Sciences) Program is designed to create an interest in science, technology, engineering, agricultural, and mathematics fields, or STEAM. The goal is to encourage youth in grades 7–12 to attend college and pursue agriculture, natural resources, and environmental sciences degrees. Our Jr. MANRRS program provides activities to help students discover firsthand how agriculture, engineering, and technology relate to the world around them and discover the excitement of academic excellence, leadership, technical development, and teamwork. All while learning from mentors involved in the UKY MANRRS program. We invite everyone to join this exploratory club!</p>	<p>Fourth Tuesday of Each Month October-April</p> <p>5:30pm ET/4:30pm CT</p> <p>October 27th November 24th December 22nd January 26th February 23rd March 23rd April 27th</p>
<p>Middle School Leadership</p> <p>Contact: Rachel Noble rachel.noble@uky.edu</p>	<p>Connect with other middle schoolers from across the state! This club will explore leadership, civic engagement, global understanding, communication, and teamwork this year. The Kentucky 4-H State Teen Council will serve as mentors for club members. Participants must be in 6th-8th grade during 2020-2021 academic year.</p>	<p>Third Tuesday of Each Month October-March</p> <p>7pm ET/6pm CT</p> <p>October 20th November 17th December 15th January 19th February 16th March 16th</p>

**Kentucky 4-H Virtual Statewide Clubs and Project Groups
2021 4-H Program Year**

<p>PosSTEMbilities</p> <p>Contact: Torey Earle tearle@uky.edu</p>	<p>Project group members will meet once per month, October through March. After Zoom meetings, members will be provided with links to other hands-on STEM/SET Challenges they can complete outside of the Project Group time. Members that attend at least four Zoom meetings, complete four STEM/SET activities outside the Project Group, and design and present their own STEM/SET activity will receive a certificate of completion at the end of the Project Group in March. Participants will need to document (pictures, video, written summary) their own STEM/SET activities outside the Project Group to earn their certification. This virtual program is geared towards youth ages 9-14, but younger and older children may participate.</p>	<p>Second Thursday of Each Month October-March</p> <p>6pm ET/ 5pm CT</p> <p>October 8th November 12th December 10th January 14th February 11th March 11th</p>
<p>Udderly Amazing Adventures</p> <p>Contact: Amy Branstetter amy.branstetter@uky.edu</p>	<p>This project group will explore the dairy industry! There will be on farm experiences and learn how to care for dairy cattle of all ages. There will be a lab portion that the participants will learn the cow inside and out. This project group is for 4-H youth from across the state, no prior knowledge required or no need to own dairy cattle!</p>	<p>Times TBD</p> <p>Sign-up now to join later!</p>
<p>Winter Naturalists in Training</p> <p>Contact: Ashley Osborne ashley.osborne@uky.edu</p>	<p>Join us for fun-filled, interactive online sessions and at-home challenges to investigate trees, insects, and birds in your backyard and neighborhood this winter. Project group members will meet once per month, October through March. After Zoom meetings, members will be provided Nature Challenges to complete each month and be asked to do a service-learning project. Members who complete requirements will receive a certificate of completion at the end of the project group in March. Participants will need to turn in a completed Winter Naturalist Field Journal to earn their certification. This virtual program is geared towards youth ages 9-11, but younger and older children may participate.</p>	<p>First Tuesday of Each Month October- March</p> <p>6pm ET/ 5pm CT</p> <p>October 6th November 3rd December 1st January 5th February 2nd March 2nd</p>
